Dear SPIN Members, Partners, & Friends,

Building SPIN on the enduring values of Quality, Inclusion, and People-first services for over 50 years has provided the foundation to sustain us during challenging times. This foundation gives us strength to draw from when the going gets tough. Our gratitude for and reliance on our foundation was a daily occurrence over the past year as we sought to transform from survive to thrive.

We know the reduction in our services due to the pandemic and its effects has taken a toll on the people we support and their families. Throughout 2021, nothing became more important than people’s health and fully restoring all services that people need and count on us for.

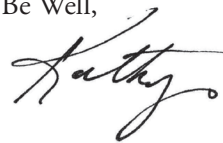

That is why rebuilding on our strengths to renew and thrive was our theme this past year.

As we share our stories of renewal and of how we used our resources to invest in the people and the innovations needed to thrive, we hope you all know how important you are in the story of SPIN, our outcomes and our future. Nothing about what we do has been easy, but it has always been a labor grounded in love and belief in a better world and life for people. Our members, partners, and friends have continued to believe in us and show their love to SPIN through these tough times.

We thank you for every gesture of encouragement and show of support for what we do. We dedicate the Annual Report to the quest for renewal and thriving and all the people who make it possible.

Love, Hope, Grow.

Be Well,

Kathleen McHale  
President & CEO

Judy Dotzman  
Executive Director

## A STORY OF GROWTH AND ACHIEVEMENT

Our daughter Regan is a soon to be 6-year-old diagnosed with Autism at 19 months. She was on SPIN's waiting list for two years before getting into the Autistic Support Class and spending two years there. Her growth and development since walking in SPIN's doors was absolutely mind blowing. She entered non-verbal and exited talking, reading, writing, singing, and more. Her social skills and other areas dramatically improved. Her teachers were top notch, they treated and loved her as their own and always communicated with us so not only did we as her parents learn things along the way, we were no longer her only advocates, they were too.

Their patience, understanding, determination, support, and confidence in her is something we will never forget and will be eternally grateful for. In addition, this progress was also made during the Covid pandemic which was quite impressive. As sad as we and they were to see her leave and move on to Kindergarten in August 2022, we were all excited for her future and new school. We will always stay in touch with SPIN and it will always hold a special place in our hearts.

*Cheryl and Shawn Welch*

## DREAMS TO REALITY

Eric's employment journey is a story of true determination and resilience. Shortly after he began pursuing his dream job at Dorney Park, Eric tragically lost his mother, due to COVID-19. From his tremendous loss, he gained strength and courage to gain employment to help his family. Eric knew it would not be easy as he needed support, accommodations, and specialized transportation. Despite obstacles, Eric persevered.

Knowing his mother would be proud, and with the support of his father, Support Coordinator, and Employment Specialist, Eric landed the job. At his interview at Dorney, Eric used his best self-advocacy skills to make a positive impression. He was hired on the spot!

Eric's enthusiasm, professionalism, and customer service excellence was evident from day one. On his first day of employment, he single-handedly managed the admissions gate and ensured a positive experience for all. Eric ROCKED the summer season at Dorney, never missing a day, and is advocating to extend his employment beyond seasonal work. Eric's dream is in real color!

## A LEGACY OF LOVE AND HOPE

In May 2021, SPIN lost a beloved employee. Giana Castorani was a dedicated Behavioral Health Technician at SPIN for more than six years, and her unexpected death was devastating for her family and the SPIN community. Known for her incredible passion, Giana always found a way to help the youth she supported achieve a life of possibilities. The outpouring from the SPIN community was tremendous. The Giana Castorani Memorial Fund was established to carry on her legacy. This fund turned our collective heartbreak into hope for families.

The fund has supported the urgent health and well-being needs of 17 families to date. Giana's mother, Janet, and brother Bobby, are a vital part of the committee's work, along with SPIN team members, Cait Diviny, Cindy Hampson, Monica Harris, Christine Schoener, and Karen Smith. Several generous donors have contributed to the fund, and the committee has organized two fundraisers so that Giana's legacy of love and hope lives on. We know Giana would be proud!

## JUSTICE ISSUES ARE WORTH THE FIGHT

Not every community has always been fully accepting of a SPIN supported home as their neighbor. In the 80's and early 90's we had lots of practice going to community meetings to advocate for people to live in communities. In the end, neighbors see for themselves that their community is better when it includes everyone.

This year, we found ourselves in another neighborhood that questioned our being there. Fair housing laws are in place to protect the people we support, but this community required a process that resulted in the need for a zoning accommodation and a few of the neighbors saw a way to keep us out of their neighborhood.

We asked the three women who the house was for what they wanted us to do. They told us to fight for their new home and so we did. Over one-year later, the women finally moved into their new beautiful home. In the end, the women won over the community who now welcomes them with open arms!

## LISTEN, SEE, LEARN, AND CHANGE FOR RACIAL JUSTICE

SPIN United Coalition for Racial Justice continued working through 2022 with an updated vision and goals. Holding Unconscious Bias training for all employees and several Diversity Town Halls, we infused equity values into all decisions. A living wage for entry level positions was a major equity issue we addressed by raising our lowest pay scale by 16.7% in one year. Opportunities for promotions were also more accessible to all through our Leadership Opportunity Program.

Diversity numbers increased in upper-level positions and on our Board. And while we accomplished all of this, we never forgot to have fun. We celebrated diverse holidays, provided a paid Cultural Holiday, and ended the year with a great celebration of Juneteenth. We came together outside of SPIN Community & Fitness on a hot, sunny, June 17th to learn why Juneteenth is an important day in the Black American experience. Enjoying red drinks and time for discussion was a great way to cap our year of increasing diversity, equity, and inclusion at SPIN.

## EXPLORING THE BEST YOU!

This year we created two new People-First experiences designed to enhance the lives of the people we support and our employees. Best You in 2022 focuses on the importance of health and wellness. We meet virtually every Wednesday to experience sessions on sleep, nutrition, and fun exercise classes like cardio drumming! We share tips and tricks to keep each other motivated to be our best! One of our favorite sessions was summer gardening with Jamie and John, which shared a fun leisure activity that promotes being active and healthy eating.

SPIN Explorers meets virtually every Tuesday, showcasing a community location that one or more of the people we support visited. This encourages everyone to explore their interests and reconnect to their communities. Some of the exciting places we learned about are Bristol's Mill Street, Seaport Museum, Turkey Hill Experience, and Caring for Friends volunteer opportunity. When one of SPIN's Direct Support Professionals, Tony supported Ken to share his love for trains they told us about their experience at Henning's Train shop. Hope you will join the fun with us every week!

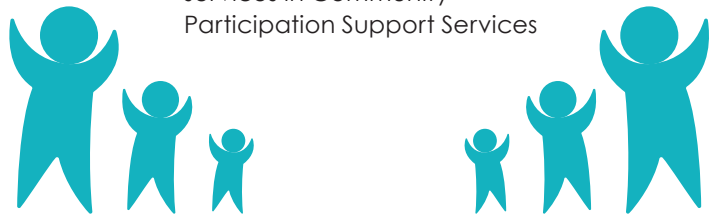

# SPIN 2022: A YEAR OF RENEWAL

Rebuilding on our strengths to renew and thrive

**350** PEOPLE ACHIEVING THROUGH COMMUNITY PARTICIPATION SERVICES

350 people received ongoing services in Community Participation Support Services

**252** PEOPLE WE SUPPORT ARE EMPLOYED & **\$922,408** EARNED

**\$840,000**

**CAPITAL GRANT**

Completed work to receive a capital grant of \$840,000 for construction of our fourth Early Childhood Center

**\$323,206+** DONATIONS

received by people believing in our mission

**634** CHILDREN received behavioral health services

**37.5%** OF PROMOTIONS were People of Color

**TELEHEALTH EMERGENCY ROOM VISITS**

170 Emergency Room needs occurred remotely through SPIN's investment in Station MD access to ER physicians

**CONSECUTIVE YEAR AS A TOP WORKPLACE**

Named to Top Workplaces for 2022 – 13th consecutive year

# INVESTING IN WHAT MATTERS

Over the past year, we continued to invest in employees, services, homes, Early Childhood Centers, technology and operational advancements to bring back urgently needed services to pre-pandemic levels. So many people and families are waiting to return or come into services for the first time, and we acknowledge their pain as they wait.

This past year, SPIN used every dollar of relief funds, grants, and donations to invest in renewal and to what matters to people and quality.

Highlights of this investment include:

- Home renovations allowing people to age in place
- The construction of a new Early Childhood Center
- People-first technology
- 252 adults to be employed
- Remote services to keep children and adults connected with services
- \$5,000,000 additional for staff raises and recruitment & retention bonuses
- Access to ER doctors through a telehealth system
- ABA services for children with autism
- A nutritionist
- A new Learning Management System for staff development
- Increased Behavior, Therapeutic Recreation, and Training staff in Early Childhood Education
- Vaccination clinics, testing, increased health benefits and infection control
- Trauma informed support

We are re-building and renewing through our strengths!

# SPIN RECOGNITION

## TOP WORKPLACES 2022

*Philly.com, The Philadelphia Inquirer and Daily News*

SPIN was named a Top Workplace for the thirteenth consecutive year and received a special *Meaningfulness Award*

## POINTS OF TRANSFORMATION AWARDS

*The City of Philadelphia Department of Behavioral Health and Intellectual disAbility Services*

*Early Intervention Award -  
Cassandra Gilreath*

Giving Partners  
7/1/21 - 6/30/22

Thank you for your generous donations to SPIN.

Your donations help provide the highest quality care and services to children and adults with autism and intellectual disability and early childhood education. With your help, we will continue to provide a Life of Possibilities for all. You truly make the difference for the SPIN community, and we are extremely grateful!
